REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1 and 21 have been allowed because prior art of record fails to disclose or suggest a manifold comprising, in combination, a first manifold connector having a bore in communication with the first manifold chamber; a second manifold connector having a bore in communication with the second manifold chamber which is sealed from the first manifold chamber; and a plurality of valve cylinders each having, a valve bore open at one end, a first vent and second vent connecting the valve bore to the first manifold and second chambers, and a valve connector having a bore connected to the valve bore. Claim 31 has been allowed because prior art of record fails to disclose or suggest a manifold comprising, in combination, a plurality of valve cylinders forming a floor coupled to the exterior wall; and a plurality of connector cylinders coupled to and substantially perpendicular to the valve cylinders, and coupled to the cover, forming an interior wall dividing the enclosed volume into a first manifold chamber and a second manifold chamber.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
